MEMORANDUM FOR: Director of Central Intelligence

VIA:

Deputy Director (Intelligence)

SUBJECT:

Proposed Revision of Processing and Initial Exploitation of Photographic Material Obtained

from Overflights of Cuba

- 1. This paper contains a recommendation paragraph, paragraph 3, for the approval of the Director of Central Intelligence. Attached is a proposal of the DIA on the above subject which is, in general, in accord with a scheduling proposal for photographic interpretation of material from overflight of Cuba which the Director of the National Photographic Interpretation Center had proposed a week or so ago.
- 2. The members of the Committee on Overhead Reconnaissance concur in the proposal.
- 3. Recommendation: It is recommended that the procedures outlined in the attached paper be approved.
